Description

Hi, my name is Ramie Herbst. I have been in 4-H for 11 years and unfortunately this is my last. I have been showing swine for 10 years and over the years have put a ton of time and money into finding the feed that works best for me and my pigs. I have found that Moormans feed has been the best. Since I have switched over to this feed 4 years ago my pigs have been choice right under prime. I have worked really hard on getting him right where he needs to be so I can provide the best possible meat that I can for his buyer. This year my pigs name is Gordon Ramsay. He is a well structured pig that definitely has plenty of meat on him. He has been one of the best pigs I have had. He is super sweet, loving, and vocal. He has the best personality. While working if he doesn't want to do it he will scream the whole time. He does exactly what I'm asking of him, but he will let me know that he definitely does not want to. He is very sweet. If I sit down in his pen he will come over and sit between my legs and let me love on him.
