LOT - Mackenzie Traweek Bangs FFA

First Name Mackenzie

Last Name Traweek

FFA Chapter or 4H Club Name Bangs FFA

Validation Tag or Show reference# 74920

County Brown

City Bangs

Description

Hello, my name is Mackenzie Traweek. I am a senior at Bangs High School. My stock show season has ended very abruptly. This is definitely not how I imagined my show career ending. I have show for several years at the Houston Livestock Show. It was my hope to be able to walk across the green shavings one last time with my steer, Chief. My ultimate dream was to place high enough with my steer to make the sale. Being a graduating senior with plans to attend Sul Ross State University in the fall of 2020, I was relying on the sale money to help with college expenses. At this time with a sad heart, I offer my steer for purchase. Chief is a shorthorn and weighs about 1150 pounds. Chief is lovable and quiet. He always loved our walks on our county road. I've had Chief since May of 2019. He's been on the feed Bradburry's Best since the day we brought him home. He was a very picky eater so it was hard for us to get a belly on him. Some days he would want to eat everything but most days he just turned his head away at the feed in his trough. He has a fun attitude! He loves turning his water trough over every single day and playing in the mud. Throughout all my years of showing cattle, Chief and I have a special bond I've never had before. He's definitely one of a kind.
