Description

Meet my Crossbreed gilt Killer. Her Mom is a "May We All/Short Bus" gilt and we bread her to a boar named "Got Legs". She was born to one of our sows that we farrowed this year. I was there the day she was born. She has done well this year in a few livestock shows I have taken her to. She placed 3rd or better in both market and breeding classes she was entered. She can be a little ornery but also very loving. I love the fact that she is one of ours and that I was able to be there every step of the way. I have learned a lot about how to farrow pigs. I am proud that I can say I have raised Killer from day one. This is my last 4H project! I have enjoyed raising pigs and the life lessons and opportunities 4H has given me the last 13 years!

Killer finished 3rd in her market class at fair. I was second in my Senior Showmanship class and made it to the finals. Although we didn't finish where we wanted we did well.
