Description

Meet my goat, Lucy. I purchased Lucy from Ann Costa in early April 2022. She is a boer goat, born on 28 January 2022. Lucy has been raised at Kinder Farm Park with access to a large field and fresh air. I am grateful to everyone who has helped me and taught me everything I could wish to know about raising goats. I have learned so much about goat care and I am excited to show off my progress at the fair this year.

My name is Sadie Fishburne. I am seventeen years old, and I am going into my senior year at Severna Park High School. This will be my ninth year in 4-H with the Kinder Farm Park 4-H Livestock Club. This year I will be raising and showing two pigs and a goat. 4-H has been a wonderful experience for me thus far, providing me with countless opportunities to better myself as a leader, educator, and person in general; it is truly an exceptional program and I look forward to an amazing auction.

I feel extremely lucky to be part of such an amazing community of 4-Hers and I am grateful that you make up part of our incredible support system. Enjoy your time at the fair!

A special thanks to Ms Karen Holloway, who bought my goat, Linus, last year!
