Hi, my name is Colton Sutherland, and I am 12 years old and in 7th grade at Southern Middle School. This is my fourth year in the Harwood 4H club. This year I am raising 2 market hogs and one breeding hog . The two market hogs are named Rio and Leo. The one breeding hog is named Dot. Dot and Leo are Hampshire and Rio is Durock. Raising them I have learned that it is hard work, but fun. Pigs have funny personalities. I enjoy raising animals because it can provide food for people that are in need and it teaches me about responsibility. This year I plan to use the money I raise from the auction for next years projects, saving for a tractor and donate some to Alzheimer's Association in memory of my Grandma and savings.

Quantity: 263
