Description

Hi my name is Carter Dean Merriwether I am 13 years old and in the 7th grade at Hardin Jefferson Middle School. This is my 3rd year showing a pig at YMBL. I enjoy working with my pigs and learning new things. Each pig has taught me something different rather it be discipline, proper record keeping, their eating regimens, and even their health. It is a lot of work but it is work that will pay off for my future. I look forward to continuing raising pigs and appreciate your support!
