Description

Hello, my name is Kassidy Cortez, I am a senior at Edinburg North High school, going into this 2022-2023 show season I knew this would be my last time ever showing. With lots of mixed emotions, I went in knowing that I wanted this to be one of the best seasons I have ever had. This past show season I was fortunate enough to raise a duroc market gilt. With a lot of hours and practice put in, we were able to do very well at the South Texas Agricultural Roundup. We placed 1st in our weight class and placed Reserve breed champion. Although this was a hard accomplishment with my wild pig, I was very happy with her and the way we placed. This fall I plan to join Texas A&M Kingsville and study Agriculture Science. With the help of the years I've spent in FFA this has given me the motivation in choosing my career path. I would like to thank you for your time in reading and looking at my profile. This has been an incredible opportunity and I am extremely fortunate for the mentors in my life that have pushed me to do better in and out of the show rings. Thank you!
