Description

Howdy, my name is Bianca Ancira and I am currently a senior at PSJA High! This spring I will be graduating and furthering my education at Texas A&M Kingsville to earn my Associates in agriculture. After receiving my associates, I plan to attend Texas A&M University -College Station . I have been showing at STAR for the past 7 years and it has been nothing but memories, fun and leadership experiences!

None of this would have been possible without my parents, family and friends. I have learned first hand what it takes to work for what you want . Thank you to everyone who has supported me through my show career. All donations will be used to help pay for my college tuition! Thank you in advanced & God Bless!
