### **Description**

My name is **Andrew Hilbert** and I'm 11 years old. This is my first year in the **Tokay Colony 4-H** group and my first year taking an animal to the San Joaquin AgFest. I purchased a Berkshire pig in January and named him Tobi. I have learned a lot about Tobi and raising him especially since this experience is so new to me and a learning process. Raising my pig, Tobi, has taught me how to be more responsible, organized and determined to do my best for both me and my pig. I have learned about how to show a pig, groom Tobi, about medications, how to clean his pen and most of all rub his belly because it's his favorite thing besides having a bath.

All the profit from me showing, raising and sell my pig, Tobi, will go into my college fund.

Thank you for your time, potential support and I hope to see you at the San Joaquin AgFest.

**Quantity:** 257
