Animal Weight (in Pounds) 14.36

Description

Hi, I am Angel Ismerio and I just completed my senior year at Weston Ranch High School. This is my first year raising meat birds for our FFA program and I have had a fun and challenging time during this project. I have spent numerous hours feeding, cleaning, and practicing with my animal to prepare them for fair. After high school I plan on going to college and working on a degree in agriculture and the money I receive from this project will help me succeed. Your bids will make a difference whether you buy my animals or another students. Lastly, I'd like to thank you for supporting our agriculture program and the students who continue to take these courses.
