Animal Weight (in Pounds) 257

Description

Bubbles is a Dark Crossbred

Hello, my name is Ariya Russell, I am ten years old and am a member of the Alpine-Victor 4H club. This is my Third year in 4H and a participant at San Joaquin Agfest. I am very interested in raising animals, I have learned a lot about how to care for my swine project. I am interested in becoming a veterinarian when I grow up.

This year I chose to raise another market swine. I am excited to show my project named Bubbles. Bubbles has been a great project, I have learned so much more about caring for swine this year, I learned all about how to monitor his food intake and weight management to gain the appropriate amount for AgFest and how to watch for signs of sickness, this year required me to be very attentive due to the extreme weather swings we have had.

Quantity: 257
