Description

FREE BEEF!

Buyer only pays for the first 1400lbs of mouth watering PRIME beef.

If you are looking for a high quality beef to fill your freezer, CHUCK is your steer.

I'm Steven Gorham, this is my 3rd year in 4-H and my goal is to raise good eating beef. Prior to AgFest, Chuck has spent his days of leaser eating, daily cooling baths that include brushing and blowing, afternoons spent sleeping under the fans and nightly walks around the field for exercise. Chuck has been the easiest steer for me to raise.

I'm not sure if it's because I'm learning more every year, or his breeding/personality was more 'easy going'.

Quantity: 1400
