Validation Tag or Show reference# 26626

County San Joaquin

City Lodi

Type of Sale Terminal - Buyer Gets Project at High Bid

Description

Hello, My name is Nathan Blagg. My parents are Tyler and Amy Blagg. I am 13 years old and am graduating 8th grade at Lockeford School. I am a member of the Tokay Colony 4-H Club. I am outgoing and like to learn leadership skills so I am the President of Tokay Colony 4-H and also the President of Lockeford School's Student Council.

I will be selling my Red Holstein Dairy Replacement heifer, named Lace, at the San Joaquin County AgFest on June 16th at the San Joaquin County Fairgrounds. Lace placed 3rd in the 4-H show.

My heifer Lace was purchased from Van Exel Dairy this winter. Lace's sire is Mr. Affection Analyst Red-ET. Lace is bred to Farnear Aircraft-ET-RC. She is due to have her calf on the 25th of August.

I am on the Jr. AgFest board which helps plan events for members to participate in during AgFest. I have also enjoyed being in other 4-H activities. I am in the Sport Shooting, Cooking, Outdoor Adventure, Gardening, and Metal Working projects.

In addition to raising a replacement heifer I have a Holstein winter calf, which I also showed at AgFest. I also showed her at the Western Dairy Classic show in Tulare. This year I competed in dairy judging at the Western Dairy Showcase, Western Dairy Classic, and Modesto Junior College contests. I would like to show at the State Fair this year and plan on going to the Holstein Cow Camp at CalPoly this summer. I am very interested in the dairy industry and potentially pursuing a career in the industry.

The Dairy Heifer Replacement Auction will be held on Friday, June 16, 2023 at 7 pm. For those that can not attend, the auction will be simulcast on [stockshowauction.com](https://www.stockshowauctions.com). More information regarding the show or sales can be found at www.sanjoaquinagfest.org. I understand that not everyone can purchase a dairy heifer but would appreciate any support that you can give.

Thank You!
