Description

This is my first year showing a replacement heifer. I have shown pigs ever since I was 9 years old. This year I decided to try something new and raise a replacement heifer. Everyday I have to feed, walk, and clean my heifers pen. At first it was a learning curve trying to halter break my heifer. Also, this year I have been really involved in FFA by competing in the Farm Power and Machinery Competition. While competing in the state finals I tied for 5th overall in the state. I have learned that being involved in FFA takes a lot of hard work and dedication.
