**Description**

My name is Ava Morton I am a 6th grader at Ripon Elementry and, this is my first year raising a market hog. My market hog is Hampshire Gilt named Billie Jean. I purchased my market hog in February 2023 from Small Town Genetics in Denair. I have loved every part of raising a hog. I have worked hard doing showmanship and learning the skills it takes to raise an animal. I have learned time management, proper animal care, and financial responsibility. On a daily basis, I work my hog in the arena, wash her, and put her back in a clean pen. The money generated from this project will go into future livestock projects. I plan to raise two hogs for Ripon 4-H next year.
