Dear Potential Buyer,

Hello, my name is Elle Baluyut, I am thirteen years old and I have attended River Islands Academy since kindergarten and I am going into 8th grade this upcoming year. My favorite subjects in school are math and physical education. Outside of school I enjoy hanging out with friends, playing volleyball, and beach volleyball with Pulse Volleyball Club. Last year, I enjoyed taking baking lessons after school, I learned how to make tiramisu, bake and decorate my own stacked cake, and many more desserts. I attend church in Manteca, California at St. Anthony's Catholic Church. I am involved in

Leadership at my school and I worked hard this past school year to get 4.0 Gold Honor Roll all school year.

This is my first year in 4H and my first year raising market swine. In February, I purchased my market pig from Panero Show Pigs in Escalon, California, and I have been raising him for the San Joaquin Agfest Fair. My pig is named Sterly, he is a Light Crossbred and he loves the outdoors! Mr. Sterly is a very energetic pig, but when he has to rest, he will lay out in the sun! I have learned a lot from being involved in 4H and raising a pig, not only has it taught me a lot of self discipline and responsibility, but I have also learned about proper feeding methods for market swine, proper way to care for swine, as well as proper budget and record keeping. I have really enjoyed my experience of 4H this year, and I have enjoyed the opportunity to learn about swine and raising market pigs. I am really looking forward to doing 4H next year.

I am so excited to be showing my pig at the Agfest Fair for the first time! My great-grandparents raised swine, heifers, and chickens here in the San Joaquin Valley. I'm happy to bring this back into the family. The money that I will be raising will go to my swine project next year and my 8th grade Washington DC trip. If I have enough auction money, it will help me pay for college and my other needs throughout the future.

I will be present in the swine barn during the fair. From the first day of the fair starting on Saturday June 10th, 2023 until the end of the fair on Saturday June 17th, 2023. I would like to invite you to come see me market my swine and show my pig during the San Joaquin County Fair. I will be showing my market pig on Tuesday, June 13th and Wednesday, June 14th if you would like to come watch. I will be auctioning off my pig on Saturday, June 17th, 2023, and would appreciate your support in bidding on my market swine during the auction. If you are unable to make the live-auction, you could log on www.stockshowauctions.com and bid online. Please feel free to ask me any questions you may have or you could contact the San Joaquin County Agfest at (www.sanjoaquinagfest.org).

Sincerely,

Elle Baluyut, Escalon 4H
