Description

My name is Connor Gutierrez. I'm 11 years old and this is my second year in 4H. I have chosen to do a pig project again. My pig's name is Nicholas. I really enjoyed working with Nicholas. One of my favorite moments with my pig Nicholas is his love for water and sneaking into the goats water trough while I clean his pen. With the money from the sale of Nicholas I will buy another pig for next year and save the rest for college.
