FFA Chapter or 4H Club Name Farmington 4H

County San Joaquin

City Escalon

Animal Weight (in Pounds) 278

Description

Dear buyer,

Hi, my name is Jackson Sawyer. I'm 11 years old and in my second year of 4H, my club is Farmington 4H. I'm a 5th grader at Ripon Christian Schools and I am born and raised in Escalon CA where my whole family has lived for a long time. Things I like to do are; helping out my grandparent's farms, taking care of my other animals, swimming, building stuff, going on 4wheel drive trips with my family playing flag football, soccer, basketball, riding dirt bikes and quads, and getting together with my family. You are here to learn about my pig. Her name is Rosie, a Yorkshire gilt. I feed her 2 times a day. Her favorite treats are marshmallows and bananas. She loves getting scratch behind her ear. Her favorite things are a mud pit and a good old bath after she has round around in a mud pit. I have learned a lot of lessons on how pigs are to be treated with care. Every day me and my family go out and spend time with the pigs and walk them. (P.S we have 3) She is very nice and she will be delicious bacon, pork, pork chops, ribs, sausage, and more to feed a well deserving family.

Quantity: 278
