Validation Tag or Show reference# 6326

County San Joaquin

City Lockeford

Type of Sale Terminal - Buyer Gets Project at High Bid

Description

My name is Bailey Nelson, I just completed the 8th grade at Millswood Middle School, and I will be attending Lodi High School in the Fall. I have played competitive soccer and softball for the last 5 years and will continue to play through High School. This is my first year in 4H and raising a dairy heifer. I feel I have grown as a person while raising my heifer, Buttercup. I have shown commitment and dedication to my heifer by waking up early to feed her and clean out her stall before school and coming home after a day of sports to attend to Buttercup by walking her and feeding her as well. Buttercup looks forward to me coming home as she always follows me down the fence line to the barn to feed her and she is also pretty crafty because she has been able to get the latch off the hay door multiple times. Raising Buttercup has been a wonderful experience and I look forward to continuing this journey in 4H.
