### **Description**

Hi, my name is Logan Kettelman, I'm a Junior at Lodi High and this is my second year raising a swine. Meet my Hampshire Gilt, Miss Piggy. She loves to bite my boots when I go in to clean her pin. She also comes up to be to be petted. When I work with her, she does a really good job with walking with me from the pin to the ring. But I have learned that she does not like to get weighted. She will do everything she can to steer clear of the scale. I have recently found out that she might not make weight. She needs to gain about 13 pounds in the next 3-4 days.

**Quantity:** 215
