Description

My name is Brooke Graef I am 17 and I am a 3rd year Ag Member in the Tokay FFA Chapter. I am raising a Market Lamb for the 2023 San Joaquin County AgFest. I feed my lamb every day and care for it following a strict nutrition as well as exercise schedule. This is to ensure a great product for fair. Through raising my lamb I have learned how to properly wash and clip my lamb while getting it ready to show at fair. From my project this year I have learned many great skills such as responsibility, time management, teamwork, and animal husbandry.
