Description

Hello, My name is Brianne Coelho. I am 15 years old and have been in Escalon 4H for 6 years. This year for the San Joaquin Ag Fest I have a Market goat project. I will be showing and selling my goat at the San Joaquin County Ag Fest in Stockton, CA. Over the past few years, I have learned a lot about what it takes to raise goats. I also own a herd of my own Boer goats and breed them. It takes a lot of hard work and dedication to raise these animals and have 4H projects. I enjoy helping other 4H members with tips and tricks for their goat projects. I also am teaching my younger brother about market goats. He will have his first project this year. I have put in many hours with my goat. This is a goat that came from our herd. I can say that these many years of having goat projects have taught me many things such as animal health, animal care, financial responsibility and ultimately setting a goal and learning how to achieve it. The money I earn from my goat project I am putting towards future projects and my savings account for college. If you want to purchase my Market Goat you can attend the San Joaquin County Ag Fest Auction. Market goats will be selling on Saturday, June 17th, starting at 9:00 am. The live sale will take place at the San Joaquin County Fairgrounds

(1658 S Airport Way, Stockton). If you can't make the LIVE auction, Stock Show Auctions will host our ONLINE AUCTION and you can register at [stockshowauctions.com](https://www.stockshowauctions.com) to join from your computer. If you are unable to purchase at this time you can also donate to my market goat project. Your support would be greatly appreciated.

Quantity: 69
