### **Description**

Hello, my name is Jacy Sarale and I am a part of the Linden FFA Chapter. My project this year is a dairy replacement heifer and I have owned her since the beginning of February 2023. And my heifer's name is Dixie and I will be showing and selling her at the San Joaquin County Agfest.

I have been raising dairy heifers for the past three years at the Agfest. Raising these animals has taught me many life, skills and lessons. They range from responsibility, to time management, to communication. All of these skills will help better me as a person down the road. Thank you for your time, and I hope you consider taking a look at my heifer.
