Validation Tag or Show reference# Agfest 811

County San Joaquin

City Lodi

Animal Weight (in Pounds) 262

Date of Reported Weight 06/13/2023

Description

My name is Hailey Haywood, and I am a member of the Lodi FFA Chapter 1. I am a Junior in High School, and this is my second year participating in the San Joaquin County Ag Fest. Last year I participated in Market Chickens and this year I am participating in Market Swine's.

At school, I am in Ag 3 Horticulture and participated in the 3rd Grade Ag Fest at the Lodi Grape Festival Grounds, the State FFA Conference in Ontario, Ca, volunteered to work for the 2022 election at the local election voter booth in service to our democracy, and this year's San Joaquin AgFest with my Market Swine. I am also very active in my Theatre Arts College Prep class and have volunteered for the last 2 years for the Lodi High School Drama program performances, a participant of the Drama's Club improvisation team, and I am Secretary of the Drama Club this year. I have also been involved in various community service organizations including Love Lodi 2023 as well as volunteering my time at the Lodi Animal Shelter. All of these activities have taught

me to work hard, be observant, be a dedicated student, gain & strengthen my leadership skills, build my confidence, communication, and trust and teamwork, and most of all how best to serve as a leader in multiple situations.

I am hoping to raise funds to help purchase and cover costs for a Swine in 2024 and saving for college as I will be going to a 4 year college to major in Marine Biology and hoping to use all of the valuable skills and basic knowledge and other things, I have learned through the FFA program, to create a successful career. I have been working diligently with my swine since February 25th, spending many hours caring for my animal, partnering with my fellow FFA teammates with our clean up schedules and practicing showmanship. Even though it is hard work I have enjoyed the teamwork with other students and look forward to my Senior year in the program next year.

Quantity: 262
