Description

Hello protentional buyer,

My name is Benjamin Melendez, and I am 17 years old. I recently graduated from high school and plan on attending college. I first joined 4H back when I was in 7th grade. I think being a part of 4H is great and wish all kids got to participate in it. I love all outdoor activities and sports. All the funds I have earned through raising pigs have added to my college fund. I hope you consider buying this incredibly great pig that will help me earn more for my college tuition. This year I'm raising a gilt that I have named Arnold. I choose the name before choosing a pig and decided to keep it because I like the name. Arnold was so small when I first got her, but she has grown to be a hefty pig that's very muscular and well built. Arnold is as gentle as they come and was so easy to raise. I consider myself lucky to have ended up with her especially because this will be my last year participating in 4H. I thank you for the time you took in reading this and wish you well. Thank you also for considering buying my awesome pig, Arnold.
