Description

Hi, my name is Stephanie Taylor I am 16 years old. I am a senior in El Paso County 4-H. This is my second year in the Market Swine project, but I have been a part of the 4-H program for 11 or 12 years. This year I was able to purchase two more pigs. Their names are Earl, which is a Cross/Calico appearing hog, and Cash, a purebred Poland China. This year has definitely had its challenges, but in the end with a greater deal of success. With all of this, I have learned so much, and have gained a better sense of my future in agriculture. I would greatly appreciate the support by sharing my link and bidding on my hog at the Junior Livestock Sale on July 22nd, 2023. With your support, it will help fund my swine project for the next 2 years. With whatever I have left over after these final 2 years in this program, the money will go into funding for college and push me through my agricultural pursuit. Below you will find photos of both my hogs, Earl and Cash.
