**Description**

Hello, my name is Jacob Myers and this year I raised a market steer named Diesel. I'm a senior at Ripon High School and this is my last year showing at AgFest. I've worked hard to get my steer ready for AgFest by washing and working it regularly. My steer placed second in it's market class and I'm happy with the progress that Diesel has made since I purchased him last July. Any support that you can give me is greatly appreciated. Thank you for your time and consideration.
