Description

Hello,

My name is Charlee Barnes, I am 12 years old and a part of the Hitch & Post 4-H Club based out of Calhan, CO. This is my first year in 4-H and I'm showing a market pig. For my first year it was off to a rough start but with my perseverance I pushed through and am happy that my pig has already made weight so I can show him at the El Paso County Fair this July 18th. Cletus my barrow (boy) weighed 252 lbs as of Sunday July 9th. He enjoys eating his food, along with taking baths, long walks, belly rubs and being lazy pretty much just like my sister's pig. I feed my hog a mill feed which he can't get enough of, but I don't want him to be overweight. He gets 3 lbs in the morning and 3lbs in the evening of feed. I'm hoping he weighs around 280 pounds by sale time on July 22nd held at the El Paso County Fairgrounds. This year I am learning lots and

working towards making the grand drive both in market and showman ship. The money I earn will go towards college as well as purchasing next year's 4-H project. I hope to see you at the fair to support Cletus and I.

Thanks for your time and listening about my project,

Charlee Barnes
