Dear potential buyer,

My name is Autumn Runkle, this is my second year in 4H. I'm 11 years old and this year I'm proud to be showing a breeding heifer, a breeding buck, a pygmy goat, and two market boer goats.

The boer goat I will be selling at the El Paso County Jr livestock sale in my wether goat Max. He is 7 month old and very loving. He is great to work with and loves to please the person working him. I have owned him since he was 2 days old.

Thank you for your time.
