### **Description**

Hello! My name is Hunter King and this is my 2nd year in 4-H. This year I am showing my crossbreed pig Paisley. She loves baths, being brushed, and her favorite snack is marshmallows! Some of my interests and hobbies are singing, baking, crafting, and being outside on our ranch. When I grow up I would like to start my own business of some sort and be a worship leader on the side, most of the money that I earn from 4-H this year will be going towards my college education and the rest will be used for 4-H next year and maybe a few craft supplies! One of the most important lessons I've learned through 4-H is hard work, you won't make it anywhere in life unless you are willing to put in the work. I have also made so many good friends and fun memories through 4-H and hope to continue doing it in future years. Thank you so much for supporting 4-H and I hope you consider bidding on Paisley!
