Description

Hi, my name is Ashton Stephens, and I am a part of the Calhan Ranch Hands. At the El Paso County Jr. Livestock sale I will be selling my goat Shenzie. Shenzie is a Boer goat and was born on my property out of my doe. I have been breeding and showing Boer goats for 4 years. I feel breeding and raising my own goats is very important. I have spent a lot of time on my breeding herd and am very proud of how far it has come in the last 4 years. But anyways back to Shenzie. She is a doe out of the first breeding doe who started my herd. Shenzie has a twin sister who I plan to possibly take to State Fair this year. She has always had an amazing structure that I hope will make her a good show goat. She will also be in the producer class at County Fair as well. My main goal with her is to do well in the producer class as it focuses on what I am producing. I hope I sparked some interest and thank you for taking time to read my profile.
