Description

Hello! My name is Holly Buchanan. I am 17 years old and this is my third year showing market ducks for the Falcon FFA Chapter. I was elected Sentinel for the Falcon FFA Chapter three years in a row and I have earned my Greenhand and Chapter Degrees. I've participated in District Leadership Events, National Convention and Career Development Events (I was part of the Veterinary Science team). I chose Poultry Production for my SAE (supervised agriculture experience) because I enjoy working with ducks. I've learned how to select my market ducks based on confirmation and muscling. I've also had to learn how to implement bio-security in my coop due to HPAI.

When I am not participating in FFA events I enjoy running the 100M dash for the Falcon High School Track Team, memorizing Bible verses in Awana, and swimming.

My duck is a 13 week old male Pekin duck. His name is Duck Norris. He is heavily muscled in his breast and upper legs and should hang a high quality carcass. He will be a tasty addition to your freezer! I will be showing my duck on Sunday July 16 at 9am at the El Paso County Fair Grounds.

I would greatly appreciate your consideration in offering a bid for my duck at the El Paso County Fair Junior Livestock Auction (Saturday July 22 at 1pm in Owens Arena). Your winning bid will help to finance my SAE next year and get me closer to earning my State Degree. Thank you!
