**County** El Paso

**City** Colorado Springs

**Animal Weight (in Pounds)** 85

**Date of Reported Weight** 07/17/2023

**Description**

Hello! My name is Luke Spurlock and this is my 4th year in 4-H. This is my 1st year of doing market goats and I am so excited to show at the El Paso County Fair this year. My previous years I have done .22 Pistol and Archery which I have qualified for state competition for two years now including this one. I have also done photography and was the state winner at the Colorado State Fair in 2022.

This year I am selling my market goat named Arrowhead who was challenging at first but is now great and trained for fair. It should go well. I predict he will be around 85 pounds for fair, which is a good weight for a market goat.

Thank you for supporting 4-H and the El Paso County Fair!

**Quantity:** 1
