Description

Hello! My name is Toby Kragel, I am 13 years old. This year I am selling my market steer in the El Paso County Jr Livestock Sale! I have been in 4-H for 6 years and this is my first year showing market steers, I have enjoyed the project so far and might take it next year. My steers name is Maverick and he weighs 1,215 as of 6/11/23. My favorite part of my project was getting to know my steer and work with him every day. Maverick has sure been a handful this year, but I have learned a lot with raising and working with him and getting to show at the jackpot! In the future I plan on being a pilot and aviation mechanic and owning my own business. In addition to showing market steers, as for my tabletop projects they are lot of fun and my favorite is small engines because

I got to learn a lot about engines and how they function. I can't wait to see you at fair happy bidding.

Sincerely, Toby Kragel
