### Description

Hello! My name is Riley Spurlock and I am seventeen years old. This is my eighth year in 4-H, but my seventh year showing market swine. This year I am selling my gilt, Piper. She is a Yorkshire cross and calico colored. She is super docile and friendly, which makes her an easy project. From day one, I was able to work with her, as well as connect with her, which allows her to trust me. Piper has always been a fast, consistent grower. I have been feeding her 16 percent protein Moormans feed and oat groats. She loves when I add eggs to her feed as well! Along with Piper, I have two pigs that I will be showing at State Fair. When I am not with my pigs, I like to hike, bake, and ride my horse, Viva! I will be a senior at Falcon High School and I participate in FFA as well. Thank you so much for supporting 4-H and FFA! Come see Piper in the pig barn!

Thank you,

Riley Spurlock :)
