Description

Hi, my name is Cooper Spurlock and this is my steer Twizzler. I will be selling him at the El Paso county fair. He has never missed a meal!! He stares at me every time I walk into the barn and is almost asking for food or expecting I am giving him something to eat. He get a lot of attention and love. I have taken him to a lot of jackpots this year and he has done amazing and has learned lots. He is is really structural sound steer and is big boned. I wish I had more time with him to get him bigger and more muscular for the buyers but time just flew past me like a rocket. I took him to 3 different jackpots this year. My first one I went to was Showdown on the plains in Holyoke, CO. I entered him in to the shorthorn division and got reserve in the Division. That experience was really good bonding for me and him, and also to learn together is the more important part. I also took him to 2 shows that were more local, at the county fair grounds. It was good for him to get use to more settings he might be in soon. I really hope you consider me.
