Description

Hi, my name is Madison Kragel, I am 15 years old and this is my 6th year in 4H and 6th year in Market Chickens. I am a part of the Grand Drive 4h club. This year I am only doing 2 4H projects instead of my usual 9 or 10 projects, I am doing Market Chickens and Archery. I must give a lot of the credit for raising these birds to my younger sister because I was busy volunteering at a camp in Nebraska the whole month of June and the first week of July. I was back on the weekends but I was still not there for the majority of their growing season.

I will use the money for next years 4H projects along with saving it up for college. I would appreciate any add ons or bids.

Thank you!

Sincerely,
Madison Kragel
