County El Paso

City Rush

Animal Weight (in Pounds) 233

Date of Reported Weight 07/17/2023

Description

Hi, my name is Ruby Kragel. I am 10 years old and this is my 2nd year in the Grand Drive 4-H Club and 3rd year in 4-H. This year I am raising market swine and market chickens. I am taking these other 4-H projects: Rocketry, Outdoor Adventures (Camping), Vet Science, Shooting Sports (Archery, Air Pistol), Wildlife Conservation, and Alpacas.

This is my 7 month old gilt, Rosie, and she is a sweetie as her name suggests! This is my first year in the market swine project. I bought Rosie from a breeder in Texas this past March. She has been very muscle heavy so I have been adjusting her diet to smooth her out. I feed her 16% protein high quality showpig feed from ADM twice a day. It has been a challenge learning how to walk a pig, but I really like to be with her and she walks better for me than my other pig. I plan to take the market swine project

again next year and will use the money from the auction to help purchase pigs next year.

You can place a bid either at the El Paso County Fairgrounds in Calhan, Colorado, or online at www.stockshowauctions.com.

For more information, you can go to www.elpasocountyfair.com/p/fair-information/junior-livestock-sale.

I believe raising our meat with love and attention to our animals will give you the best quality bacon, roasts, and anything barbeque!

Thank you for your time to consider me and my project.

Ruby Kragel
