Date of Reported Weight 07/17/2023

Description

Hello! My name is Kaleb Gramsch. This is my 10th year in 4-H and my 3rd year showing Market Goats. My goats name this year is Toothless. He's been a special one since the beginning. The first show I took him to was Weld County Goat Extravaganza and he placed 3rd in a tough class and him and I won Reserve Grand Champion Senior Showman. From that moment on I knew it would be a great year. I then took him to the Ring of Success prospect show where we again earned Reserve Champion Senior Showman. My favorite thing to do this year was to rinse leg hair and work with Toothless after work or school to make him the best I could. Even though there were many early mornings and late nights, it was great to see his face peeking out over the stall door. At fair, he was 1st in his class and the Grand Champion Heavyweight. In Showmanship we finally broke the pattern and won Grand Champion Senior Showman. He also was the Reserve Champion in the rate of gain contest. He's been fed a quality

feed his entire life and has lived in luxury his entire life to create the best market project possible. It'll be tough not seeing him in the barn everyday, but he was a fun one to raise and I hope he will provide healthy protein for a wonderful family. Thank you for reading and I hope to see you on Sale Day!
