**Short Description** West Texas 5-Person Dove Hunt

**Donated By** Crooked Wing Outfitters

### **Description**

2-day, 5-man dove hunt with Crooked Wing Outfitters in Lubbock, Texas. We pride ourselves in high-volume wing-shooting just minutes away from Lubbock. We primarily target large flights of white-wing doves in the first grain(feeding) fields just outside the city limits. Leasing an abundance of fields and constant scouting are our keys to success. These are either morning or evening half-day hunts. The 2-day hunt will include a morning or evening hunt on the first day and a morning or evening hunt on the second. You may select any 2 consecutive days between 9/4 and 10/1/2023.

Included in the Donation:

- 2 Nights Stay at a Wyndham Property

\*All of our dove hunts are semi-guided. We will drop you off in the field and be watching over if your group needs to be shuffled around. We do not provide any mojos, stools, guns, ammo, etc. Just the birds!!

\*\*Contact Chanda Orren ([chanda@texasffaoundation.org](mailto:chanda@texasffaoundation.org)) with the Texas FFA Foundation to reserve your hotel rooms.
