Description

My name is Annabella and this is my 9th year in 4H. For my senior year in high school I wanted to try something new by showing a market doe. Thistle is a wonderful project and she has been amazing to work with. She has been a stellar show goat since day one and is the sweetest goat I've worked with. She is raised on an acre of pasture that she free roams and has been fed on moorman's show tech feed and showrite. I hope that you consider bidding on my animal and thank you for reading this!
