### **Description**

Hi I'm Trevor Lawson. I'm 16 years old and this is my 3rd year showing market lambs through 4-H. This is my lamb, William, and he comes from a very high quality and respected sheep farm in Colorado. I have enjoyed working with him and helping us both reach our full potential. My favorite part of the project is helping my lamb grow and become confident in the ring as we work together. I take pride in raising quality meat through daily feedings and care. Together we placed 2nd in my Market class and 5th in Showmanship.

4-H has taught me a lot through the years and has given me many skills and knowledge that I am able to use on my farm. I have grown as a leader and enjoy caring for and giving back to my community.

Thank you for taking the time to look at my project and to learn about my lamb. I want to use my earnings through 4-H to help pay for future 4H projects and to save for a college education in forestry that would allow me the help protect our beautiful outdoors and the wildlife. I also look forward to carrying on my family's legacy in farming.
