Description

Hello El Paso County Fair Buyers

My name is Beau Ullom I am 18 years old, and have been in 4h for 10 years. I am on the Show Squad 4-H club and have been actively a part of FFA through high school. I love raising show calves and have made plans to continue working in the show calf industry. I have taken it upon myself to work extra hard and graduate an entire year early so I could focus my time working and building my business "Beau Ullom Show Calves". I have calves showing this year in five different counties with kids I have sold to. So to say the least it has been a very busy year for me. I plan to attend college at

Otero Junior College in La Junta, Colorado in the fall to obtain my degree in Agricultural of Applied Science Livestock Production. I can't wait to continue to grow and learn. It's bittersweet as I close my 4h chapter being able to show I have to say this is just the beginning for me as I plan to work with club calves going forward so you may still hear my name out there in hopes to support the youth for years to come in this program. My calves this year have kept me very busy and I've been working very hard with them non stop, the calf I am selling this year is fed a quality ration and will deliver the Beef you will be wanting to serve for all your culinary needs. My calf will have the flavor and marbling to fill your desires, one taste and you will be indulging until its gone. Please take a look at my calf this year, you won't be disappointed. You will be able to identify characteristics in my program and calf that I know will grab your attention. We have stayed in contact with previous buyers from years past and they have given me 5 star reviews, and have been return customers. There follow up and feed back has been greatly appreciated, as it has given me insight on what to capitalize on and how to enhance my product, I insure I put out quality Beef. Thank you for your time and reading. I hope to see you at the El Paso County Fair!

Your Friend,

Beau Ullom
