Description

Hi there!!

I am so excited, and I have had an amazing year.

I am selling my incredible steer "Teddy". This steer has taught me more than I can put into words. He gave me my confidence back after a rough year with my crazy steer last year. I showed Teddy at the Stock Show. He ended up in the middle of his class, which I was super excited about as there were hundreds of steers from all around the country. I then showed Teddy at a jackpot this spring just for fun! We sure had fun. Teddy is so mellow and loves anything I do to him. He grows a lot of hair and has gained a lot of weight easily.

Teddy is a great, big boned, Charolais cross steer. Once you see him and meet him you will know why his name is Teddy. Teddy should be great to eat! It will be really hard for me to say goodbye to him, but he has had the best of everything. He even has had an air conditioned stall. We don't even have air-conditioning in our house! Lucky steer. He has proven to be an excellent market animal and he is finished just right.

I hope he feeds many people, and they enjoy all the hard work that I have done to make some of the best beef you can buy anywhere!

Thank you,

Bodie Glover
