Description

Hi, my name is Adam Baca and this is my fifth year in 4H and fourth year raising market chickens. I received grand champion on this trio in the broiler class. They are three beautiful roosters around 9 lb each. Market chickens are very messy and require a lot of care to keep them from getting covered in their mess. Every year I improve their enclosure setup a little to keep them clean and healthy. I enjoy raising the market chickens and contributing to a sustainable food supply. They are very fast growers and have to be weighed frequently to ensure that they fall within the required weight range for broilers. Thank you for reading about my project and supporting 4H.
