Description

Hi my name is Adam Baca and this is my fifth year in 4H and first year raising pigs. It has been a fun experience learning about pigs this year and how to show them. They do require a lot of care since they are very messy. If they could play in the mud all day they would. I did my best to keep the pigs clean and healthy for fair. I will continue to work on my showmanship so that I can improve on it next year. All funds raised at the auction will go towards my future projects. Thank you for taking the time to read about my project and supporting 4H.
