Description

Hi, my name is Abigail Baca and this is my fourth year in 4h and fourth year raising market geese. My goose received reserve champion market goose. I like raising geese because they are so beautiful and cute as babies. I raise my geese under a trampoline for a nice shady spot. They have a small kiddie pool they love to swim in too. Every few days I move their trampoline enclosure so they have a new clean and fresh green grassy spot. Their droppings fertilize the ground too! All funds received through auction are used for my future projects. Thank you for reading about my project and supporting 4h.
