### **Description**

Hi, my name is Abigail Baca and this is my fourth year in 4H and fourth year raising pigs. This year was a hard year for me with raising pigs. One of my pigs didn't make weight. This pig that did make weight I get to sell at auction because my market waterfowl received champion. I really enjoy raising pigs even though they are so messy. The pigs come out everyday for play and practice showmanship. When they are out we clean up their pen so they have a nice clean pen to go back to. I want to continue raising pigs and waterfowl for 4H. When I am done with high school I want to go to veterinary school. All funds received from the auction go towards my future projects. Thank you for taking the time to read about my project and supporting 4h.
