Description

Hi! My name is Martin Baca and this is my third year in 4H and third year raising market chickens. This is my first year getting reserve champion in market fryers! It is exciting because it means I get to sell my pig at the Junior Livestock Auction too. Market chickens are a lot of work. They eat a lot and poop a lot. They also grow very fast so I have to start weighing them weeks before fair so that I can keep them in the right weight range. Thank you for taking the time to read about me and my project. All money from my auction sale goes towards next year's project in some way.
