Description

My name is Hunter Harvey and I show pigs in 4H. This is my second year and I showed one market and one breeding class pig. I have Hampshire Tamworth cross pigs that are home raised and home fed with all natural feed.

I am selling Lava, who did awesome this fair and was so well behaved. As my second year at fair I learned so much and really feel as though I improved all around as well as my pigs were better trained.

Any profit I make on my pig enables me to put the majority in my savings account which pays to feed next years project.

Outside of 4-H my hobbies include high school sports and dirt track racing.

My family and I breed our own show pigs and have successfully had multiple litters, including Lavas! We are excited for next year as we hope to improve on our breeding program by adding a new gilt or sow. I was awarded grand champion in producer class two years in a row.

Thank you for considering Lava for your freezer, I know he won't disappoint in meat quality. And as always, your support to us 4H youth is much appreciated
